YOUWRITE

The ultimate goal is to make writing easier.

Why we need YOUWRITE?

Writing is a hard and complicated task

- It is difficult to appropriately use the words; to choose the right words or prepositions; to avoid unused or unsuitable words or phrases for a foreign language.
- The high quality of writing is highly required in many fields.

Learning writing is difficult

- Writing is one of the most difficult skills in teaching and learning.

YouWrite options

- The ability to adapt to any field or topic.
- YouWrite gives special options to the writer:
 - ❖ Suggesting words while writing.
 - ❖ Auto-completion of words while writing.
 - ❖ Replacing used words by more appropriate words.
 - ❖ Searching for phrases that contain some words to check the suitability of words.
 - ❖ Indexing the references (for scientific writing).
 - ❖ For a specific paper, YouWrite lists the different citations (for scientific writing).

Applications of YOUWRITE

YouWrite is useful for:

- ❖ Researchers.
- ❖ Journalists.
- ❖ Companies.
- ❖ Writers.
- ❖ Writing learners.
